

Volunteer Appreciation - Awards & Party

Even with lots of change over the past 6 months, we had one of our largest turnout for our yearly Volunteer Appreciation event; the weather was not that great but we managed with the help of some wonderful people.

People In Motion would like to thank the **Kiwanis Club of Kamloops, Heather Archer, Liz Oakley, Judy Treherne, Natashaw Van Bryce, Margaret & Deb Barry, Jenna Roberts and staff.**

The **Volunteer of the Year Awards** went to the following volunteers:

Board of Directors: Donna Daines, Judy Nichols, Liz Oakley, Judy Treherne, Don Watkinson & John Weller

Camp: Dean Regnier **Program:** Margaret Barry
Community: Nancy Carr **Office:** Susan Watkinson

Without the support of our wonderful volunteers, we would not be able to continue as a thriving organization, so once again **THANKS!**

Summer Staff Bios

Hello my name is **Tamara Turner**, and I am very excited to be working as a Summer Activities Worker at People In Motion this summer! I grew up in Pritchard on a ranch that has been in my family for 97 years. This year, I completed my first Year at TRU in the Bachelor of Arts Program and will be returning in the fall. After I have completed my Arts Degree I plan to obtain my Bachelor of Elementary Education.

I am looking forward to a busy summer working with the recreation programs and getting to know many new faces!

Hello everyone, it's **Trinity**.

I am back for my third year at People In Motion, but this time I am officially a Bachelor of Arts Graduate. Now I am working the summer as a SAW worker instead of a Accessibility Awareness Worker until Fall when I enter TRU for my Bachelor of Education Program.

Home life remains mostly unchanged except for the passing of my dear hamster Blitz who passed last winter. Nonetheless, my partner Robyn, cat Lenny and myself reside happily and look forward to the summer, I look forward to seeing everyone this summer at People In Motion.

Andrew Embury

He is at G.F. Strong in Vancouver right now, but will be coming home once he is able to cope with all the changes that he is facing.

Andrew cannot wait to return to Kamloops and see all his friends and get back to his outings and routines.

Good Luck Andrew, come home soon.
